Subject: Pathmark Stores Inc.

I have faxed to your homes today a revised Pathmark Philip Morris 160 SL pack merchandiser planogram which deletes Monarch and adds Vantage Ultra King & 100s and Camel Special Light Box.

I have also attached a copy of this planogram if the fax did not come through clearly.

Please note that the above are the only changes. The 120 SL and the carton planograms all remain the same.
